God is so faithful!!! There is no need to doubt him. It has been such a blessing to experience the Lord's guiding hand over the past few weeks. I am reminded of that verse, "Faithful is he that calleth you, who also will do it." Not only is He faithful, but He will fulfill the good pleasure of His goodness and the work of faith in our lives.

What a blessing to have Faith Bible Baptist Church in Eden, NY join our Support Team! We really enjoyed being at their Missions Conference.

A special thanks to Beacon Baptist Church of Cambridge, ON and Calvary Baptist Church of Stevensville, ON for the special love gifts – the funds will be very helpful in aiding us with our relocation costs. If you will notice in the left column, **our home address is changing.**

We recently made a trip to North Carolina. I was able to share our burden on WGCR 720 AM - a ministry of Anchor Baptist Church.

We have been praying that the Lord would make His direction clear in exactly what city he would have us to locate out of as our "home base" while we raise the rest of our support in the States. After 3 days of searching (Greensboro NC, Winston-Salem, Reidsville, Danville VA) we still had no peace where God would have us to live. We were quickly running out of time, and on the day before we had to leave, **God dropped the right house right in our lap!** Not only that, but He also made it clear, through conversations with people in town (one bank teller who lived in Alaska for 9 years) that He truly has led us to this spot not only to raise support, but to be a light for Him. So we are excited and Praise the Lord that **He is rarely early, never late – but always right on time!**

Thompson Pass, AK averages over 500 inches of snow each year!

Recently I spoke to Bro. Chuck Leake, who was used of God to point us to the need in Southwest Alaska. He lives in Alaska and travels to some of the Yupik villages to trade with the Native people. He shared with me that **he has noticed a "stirring" of the people in the villages** – that they seem like they are searching for God. This was very exciting and I thank you for your prayers because they are working! **God is preparing the hearts of the Native people for the arrival of the Gospel.** Also, Bro. Chuck shared with me that one of the men in the village told him that he felt that no one would care enough about him and his people to come out there to his remote village to teach the Bible and minister to them. That just broke my heart! Please continue to pray that the people's hearts will continue to be softened towards the things of God.

Last, but not least **we are rejoicing that our daughter Abby, has called upon the Lord for salvation**, and we have been seeing fruits even in her young life - Praise the Lord!

Prayer Requests

1. Safety and God's hand upon our move – March 31st-April 2nd. It is very complicated moving from one country to another, so please pray that all goes smoothly.
2. Additional support so that we can be full time as soon as God will allow.
3. That God will continue to prepare the hearts of the Yup'ik people.

Because of Him,

Todd, Eva & Abby Caudle

There's nothing like being in the center of God's will. I know I've said that phrase many times, but recently those words mean more to me than they ever did before. It scares me to think of being outside of the Lord's will. When a difficult trial comes our way and we know that we are obeying the Lord and are in His perfect will, it helps us to be able to go through that trial with peace in our hearts. There is such a blessed assurance God gives to us by His precious grace that everything is going to be alright. "And the work of righteousness shall be peace; and the effect of righteousness quietness and assurance for ever." Isaiah 32.17

We have successfully relocated to North Carolina to expand our ministry outreach and raise more support! Thank you for your prayers. The Lord has been so good to open doors with the churches down here. Our goal is to be at a different church every service, and visit as many Revivals and Jubilees in between as we possibly can.

What a blessing to have the following join Support Team! Berean Baptist in Oshawa, ON / Maple Lawn Baptist in Reidsville, NC / Cornerstone Baptist in Ransomville, NY / Minnix Family and Shaw Family. And we would like to say thanks to Calvary Baptist in Stevensville, ON and Beacon Baptist in Cambridge, ON for their special love-gifts.

Our sending church Berean Baptist Church now has a website: www.bbcoshawa.com, and our Mission Agency just recently updated their website: www.pnbm.org.

Recently I was able to give my testimony on FBN Christian Radio, a ministry of a church in Newport, NC. I believe the Lord is raising awareness of the need in the Southwest by allowing us these opportunities.

There are some striking differences between being "on the road system" and "off the road system" – apart from the obvious (difficulty in travel, higher prices for food, etc.), one major difference is the lack of law enforcement in the remote villages. Even in Bethel, which is the largest Native community in Alaska, they are down to just 3 police officers for 6,000 people. The incidence of violent crimes in these villages is very high, and the Village Safety Patrol Officers (VSPO) are not allowed to handle any "major" crimes – a state trooper must be called in. This can take up to a week, and during this waiting period the evidence is often not useable to prosecute the crime. As a result, murders, rapes, and other heinous crimes are going unpunished. It is very difficult to get VSPO's to stay in a community for very long because the job is 24/7 and can be extremely frustrating because of the lack of justice. ***Please pray for the villages of Southwest, that God will preserve them until they can hear a clear presentation of the Gospel.***

I'd like to request special prayer for my 17 year old cousin, Justin, who was in a car accident and is currently in critical condition. He is saved, but there are others in his family who are not, and we pray that this will tender their hearts.

Greetings in the lovely name of Jesus Christ our Lord! I'm so thankful that he was faithful to the end and fulfilled the Father's will here upon earth. "Who for the joy that was set before him endured the cross." Heb.12.2 He did this for me and for you. It was not an easy road, the road to Calvary, and it will not be an easy road for you and I. But, the Saviour walks beside us, to brighten our journey and lightens every heavy load, if we will only look to him. As it is said of Moses, "For he endured, as seeing him who is invisible." Heb. 11.27

We have been having good meetings and the Lord has been so good to meet our needs through the love offerings of God's people – we'd like to thank all of the churches we have been to, for their generosity and kindness.

What a blessing to have the following join our Support Team! Faith Missionary Baptist in Asheville, NC and Liberty Baptist in Winston-Salem, NC. ***We are currently approaching 30% of our needed support.***

We are so thankful for the gift of gospel tracts given to us by the Minnix family. One of my favorite tracts to give out is called, "My Search for Peace". It is a personal testimony of a man who was gloriously saved from a life in bondage to alcohol, drugs and music. For him, Suicide seemed to be the answer. When he was 22 years old, he stuck a .38 cal. Smith & Wesson in his mouth and almost pulled the trigger. Before that, he had cut his wrists, overdosed and passed out hundreds of times. I can't help but think of all the precious young people in Alaska that are perhaps in the very same condition as this young man was. I'm so glad there is Hope!!! They can be delivered and set free by God's grace.

During the month of July, Bethel will experience 19 hours of daylight each day.

We have had the opportunity to be involved in some church ministries in our area over the past couple of months. I was privileged to preach at a Christian day school. I took along some of the items from our Display Board to show to the young people who were there. Maybe one of them will be a missionary one day! Eva and Abby participated in a Vacation Bible School. They were the surprise for the kids on the last night of the week. I'm so glad my girls enjoy serving God.

Pray for "Operation Saturation" currently underway in the Northern Villages of Alaska. Bro. Ronnie Starr and his teams are headed up to hand out a special Arctic Edition of the Bible along with a DVD explaining salvation. Lord-willing, by the time we reach the field, they will be ready to begin distribution amongst "our people" in the Southwest.

Prayer Requests

1. That we can reach 50% support by the end of this year.
2. For our lost family and neighbors.
3. For the Yupik people of Alaska.

Because of Him,

Todd, Eva & Abby Caudle

Do you ever feel incapable, unworthy and lacking in so many ways to serve the Lord? Boy, I sure do! But I am reminded of how God used a donkey in the book of Numbers, a couple of milk cows in 1 Samuel and a rooster in the Gospels to do His will. And even the Lord Jesus said of the people praising Him, "if these should hold their peace, the stones would immediately cry out." I don't know about you, but I don't want any rocks praising God for me! Amen! The fact is, the more we lean on the Lord, the more He helps us. I know He's helping me and I know He can help you. Ps. 46.1

What a blessing to have the following join our Support Team! Morning Star Baptist Church in Easley, SC. Piedmont Baptist Church in Reidsville, NC. and Thus Saith The Lord Baptist Church in Fieldale, VA. We are aiming for 50% of our needed support to be raised by the end of the year. This is exciting!!! Please pray for us about this.

As many of you know, we have been full-time since April of this year, and it has been absolutely amazing to see how God has blessed us since I quit my full-time job. We weren't sure how we would be able to "make ends meet" but the Lord has provided, and has blessed our small step of faith. Things are really starting to pick up now and we are really excited!

We are visiting as many churches as we can – revivals, and other special meetings, have given us many new doors of opportunity to present the ministry.

Besides English, Alaskans speak 20 Native languages

Below is a picture from the Bethel, AK newspaper. It will give you a taste of the Yup'ik culture:

Prayer Requests

1. That we can reach 50% support by the end of this year.
2. Continue to pray for our lost family and neighbors, as the Lord has given us some opportunities recently to reach out to them.
3. For the Yup'ik people's hearts to be prepared for the Gospel.

Greetings dear fellowlabourers in the Lord!
By the grace of God we are one mile closer to Alaska, one meeting closer to the Yupik people, one week closer to being where the Lord would have us to be.

I like some statements David makes in the book of Psalms. First, he says, "I have chosen the way of truth." I am in the way, the only true way, the best way, God's way. I have never regretted getting saved. It is the most blessed thing in all the world to know the Lord. That's why I want to share it with those around me. Second, he says, "I have stuck unto thy testimonies." The people of God have a desire for the Word of God, because it is the only thing that will satisfy. I want to stick with God. The things of this world cause us to lose our adhesiveness to God. Third, he says, "I will run the way of thy commandments." This is Christ in you the hope of glory! I cannot live the Christian life, but Christ can through me. I can't start churches in remote SW Alaska, but Christ can through me. As David said, "when thou shall enlarge my heart!"

It is a great blessing to have the following churches join our Support Team:

Amazing Grace Baptist Church in Stoneville, NC and Pleasant View Baptist Church in Taylors, SC.

We have been keeping busy the past two months with meetings in North Carolina, Virginia, South Carolina and Georgia. ***God has been opening new doors in these meetings,*** allowing us to meet more pastors, and giving us good resources to use when we begin ministry in remote Alaska.

November is a full month for us – please continue to pray that churches will be added to our support team so we can reach 50%.

The cost of living in bush Alaska is one of the challenges we will face in the ministry. We have begun researching various ways to save money. Housing being one of the challenges, ***we have been looking at options for housing in Alaska. One interesting idea is a Yurt*** – which is basically a large, round tent – they are used in Alaska, and the best thing is that they are portable. With rents as high as \$2,000 a month, perhaps this would be an option for either our housing, or for a church "building".

Please pray that the Lord will continue to direct us to the right resources, and the churches God would have support us.

Nov / Dec
2008

Happy New Year to all of you our brothers and sisters in Christ! We hope you had a wonderful Christmas!

As we begin this New Year, I think of the challenge we are given in Psalm 34.

1) Praise the Lord! Because He is worthy and we still have breath. 2) Seek the Lord! Because there is help in no other and He wants to help his children. 3) Fear the Lord! Because He is a God to be feared and His way is always right. 4) Trust the Lord! Because He will never leave us nor forsake us and we shall see the end of the wicked.

I thank God for allowing us to use the Christmas season as an opportunity to reach out to our relatives and neighbors with the gospel. Folks seem to be more tender towards the Lord at this time of year.

It is a great blessing to have the following churches join our Support Team!
Freedom Baptist in Danville, VA
White's Chapel Baptist in Ridgeway, VA
Longwood Ave. Baptist in Bedford, VA
Bible Baptist in Reidsville, NC
We are honored to be a part of their missionary family! We are currently at 38% of our needed support.

We have many praises for 2008:

For bringing us from 10% to 38% in the past 9 months.

For 1 soul being saved (that we know of) during one of our meetings – as well as for saving Abby in February.

For providing our financial needs – including our relocation from Canada to NC to finish our pre-field ministry.

For safety during the 15,000+ miles of ministry travel this year.

I was recently given some very interesting information regarding the Yukon-Kuskokwim area of Southwest Alaska. ***There are approximately 58 Native villages spread out over 85,000 square miles (about the size of the State of Oregon), with a population of approximately 27,000 souls.***

It is also going to be interesting to see how the “economic climate” is going to affect the villages of rural Alaska. During 2008 there was a rise in the number of Native families relocating to the larger cities of Alaska due to the high cost of living in the remote villages. It costs approximately \$500 a month during the winter months to heat the average rural Alaskan home.

Our Prayer Requests for 2009:

- For a full meeting schedule.
- For God's guidance & wisdom as we plan the logistics for our relocation to Bethel, AK. We pray that we will be on the field sometime in 2010.
- For more churches to be opened to the need amongst the Yup'ik people.
- For hearts to be prepared to receive the Gospel in Native Alaska.

Thank you again for your faithful support – we appreciate you so very much.

Because of Him,

Todd, Eva & Abby Caudle
